*Gardens of
The Blue Ridge*

E. C. ROBBINS
ASHFORD, NORTH CAROLINA

NOTE TO CUSTOMERS

OUR LOCATION

Is in the Heart of the Blue Ridge Mountains, "the most beautiful mountain region on the continent," in western North Carolina, nearly 4,000 feet above sea-level. My permanent headquarters is Ashford, McDowell County, North Carolina, on the scenic Clinchfield Railroad.

QUOTATIONS

This list cancels all previous offers. Do not order from old catalogues.

All offers of stock are made subject to conditions beyond my control.

PACKING AND GRADING

Will be done in the most careful way. Orders will be packed to insure arrival in good condition. Shipments will be delivered to the local freight, express, or post office at prices named in this catalogue. Packing will be charged at cost on charge orders. All shipments delivered at cost and risk of customer. Certificate of inspection attached to all shipments. We specialize in carload lots.

REMITTANCE OR REFERENCE

Should accompany orders from unknown correspondents. Discount of 5% on cash orders. All bills due and payable 30 days from date of invoice. Interest charged after 30 days.

SHIPPING INSTRUCTIONS

Should always be given fully, unless you prefer to leave to our best judgment. In this we assume no risk, our responsibility ceasing upon receipt of signed bill of lading by forwarders.

All claims for damage in transit must be handled by consignee.

CLAIMS

All claims for errors must be reported upon receipt of goods and will be rectified promptly.

Unless this is done, we can accept no responsibility of any kind.

No GUARANTEE is made that stock will grow, whether planted by us or not. As we have no control over after-treatment or weather conditions, the purchaser must assume all risks after stock leaves our Nursery in good condition.

In no case shall we be held for damage exceeding original purchase price and only to this extent when proper proof is furnished that stock has been wrongly labeled.

All orders are accepted and filled on these terms, unless otherwise agreed IN WRITING.

SPRING SHIPMENTS are forwarded according to customer's wishes and subject to conditions beyond our control, March 1 to May 15. PLEASE ORDER EARLY.

Send us your Want List for Quotations

HARDY NATIVE HERBACEOUS PERENNIALS

This list contains a variety of Herbaceous Plants furnishing a succession of bloom from early spring to late autumn, all having been tried out with success in cultivation. The height indicates the approximate height of each plant as found in wild state. The time of blooming naturally depends on locality.

LEAF MOLD — NATURE'S PLANT FOOD

This is the food nature provides for Azaleas, Rhododendrons, Kalmias, Leucothoe, Andromedas, Hemlocks, Pines, Ferns, Lilies, Trilliums, Native Orchids, and Perennials. Leaf-Mold gives the proper acid elements to the soil, insuring the best root-systems, foliage, and flowers. Valuable for old or new lawns. Leaf-Mold is collected from old Rhododendron beds, without artificial or chemical treatment.

200 lbs. \$2; ton \$12.50; carload (20 tons) \$185
